"It's a Small World"

Online Lecture

8:00pm start

Visitors welcome

Andy Sands

Andy presents his macro and extreme macro images all taken during lockdown. An outstanding wildlife

photographer with special interests in close-ups of insects and fungi, he hasn't been put off by not being able to travel anywhere. Instead he has looked for small things to photograph closer to home - some of them very small indeed! Always informative.

This talk takes place online using the Zoom app. The login code will be emailed to members. Visitors are welcome and entry is free (voluntary donations are welcome). Please request the Zoom code by visiting www.hdcc.org.uk/syllabus
