NIK SZYMANEK

23 April 2021

Astro Photography

Online Lecture

8:00pm start

Visitors welcome

Nik Szymanek

Nik will explain the process of capturing astronomical images with CCD cameras, a technique he has been

using since they were first introduced in the early 1990s. He is a fellow of the Royal Astronomical Society and member of the British Astronomical Association, and his image-processing techniques have been used in collaborations with professional astronomers.

This talk takes place online using the Zoom app. The login code will be emailed to members. Visitors are welcome and entry is free (voluntary donations are welcome). Please request the Zoom code by visiting www.hdcc.org.uk/syllabus
