Visitors welcome

Andrew Evans LRPS

A photographer and commercial hot air balloon pilot for over 30 years, and now running a professional

photography business using drones, Andrew gives a unique insight into this sometimes challenging world. Drones are allowing photographers to capture the world as never before. A unique mix of practical background and tales from around the world.

This talk takes place online using the Zoom app. The login code will be emailed to members. Visitors are welcome and entry is free (voluntary donations are welcome). Please request the Zoom code by visiting www.hdcc.org.uk/syllabus
