Rory O'Connor AIPF AFIAP

Rory is a Seascape and Nature photographer based in County Cork in Ireland. He loves the sea.

"The sea can be a place of many things", he says, "and that's what makes it so interesting to photograph. The variation in colour, in its motion and reflections from one shoot to the next is what makes me want to go back to these locations again and again."

This talk takes place online using the Zoom app. The login code will be emailed to members. Visitors are welcome and entry is free (voluntary donations are welcome). Please request the Zoom code by visiting www.hdcc.org.uk/syllabus
