RENE DE HEER

2 February 2024

Blowing Hot and Cold, Up North to Down South

Online Lecture

8:00pm start

Visitors welcome

Rene de Heer

The story of Rene's nature photography journeys to Scandinavia in the winter, and to Spain in spring and

summer. It covers bird and landscape photography along the Finnish-Russian border around Kuusamo, and in the Varangerfjord. Spain is superb for bird photography, and he visits some very special places to photograph birds from hides and hydro hides.

This talk takes place online using the Zoom app. The login code will be emailed to members. Visitors are welcome and entry is free (voluntary donations are welcome). Please request the Zoom code by visiting www.hdcc.org.uk/syllabus
